

SHARING YOUR SANCTUARY JOURNEY ON SOCIAL MEDIA

We would love to see our schools talk about their Sanctuary journey on their social media platforms. Social media posts are also an easy element to build into your portfolio which is part of achieving the Champion award. 😊

Please tag us when you do so we can support your efforts! It fills our hearts to see the work you do in your schools to be true sanctuaries for students.

Please use the **#LearnActionShare** when you post about your Sanctuary activities or anything that is part of the sanctuary journey for your school. This will help your followers to understand how the culture of welcome and inclusion is being built in your school.

SAMPLE SOCIAL MEDIA POSTS (Facebook, Instagram, Twitter)

- (School name) is a friend of @sos_ireland (or FB/Twitter handle) which supports schools like ours to strength our welcome, inclusion and integration of those seeking sanctuary in our community #LearnActionShare
- (School name) is a Member (change to Champion where appropriate!) School of Sanctuary. This means we strive to make our school as safe, welcoming and inclusive as possible for all students and their families, especially for those whose needs are greatest @sos_ireland (or FB/Twitter handle) #LearnActionShare
- Adopting the three Sanctuary Principles #LearnActionShare makes our school a more inclusive and empathetic place for intercultural learning and practice. We are always learning to understand and respond to the challenges and needs of those seeking sanctuary in our school and community @sos_ireland (or FB/Twitter handle)
